

## What is e-giving?

e-giving is short for electronic giving. It is an automatic transfer program that allows you to make contributions without the hassle of writing checks.

## How does it work?

Go to our website and click on the “e-giving” link. Then, simply follow the directions to authorize an ACH deduction, and you can make a donation via your checking or savings account or credit/debit card. It will be transferred directly to the organization’s account.

## Can I donate to various funds and causes in the organization?

Absolutely. You will be able to designate exactly what fund you would like your donation to benefit. We will be updating the-giving options on an ongoing basis, based on the focus of our organization.

## What company provides this service?

We have partnered with e-giving (powered by NCS Services) to provide this service on our behalf. They have been offering e-giving since 2004. This company services thousands of churches and non-profit companies around the world.

## How often will the amount be deducted from my account?

That’s up to you. You can make a one-time donation or set up recurring donations. There are 5 recurring options: Weekly, Bi-weekly, Semi-monthly, Monthly and Quarterly.

## What benefit does this provide to the organization?

e-giving allows us to streamline our administrative process; which, in turn, will allow us to focus more time on our true purpose of the organization. e-giving also encourages stabilized recurring giving so that we can budget our donations to their best possible use.

## What if I try it and I don't like it?

You can cancel your automatic deduction schedule on the website anytime.

## Can I use my credit/debit cards?

Yes, but we advise everyone to use their credit cards wisely.

## Can I look up my donations online?

You can view all donations completed online, print out a statement, and even use it for tax purposes. Please note that the online statement will not show any donations given offline.

## How much does e-giving cost?

It will not cost you anything. The benefits outweigh the nominal transactions the organization incurs.

## Is e-giving Secure?

Absolutely! Our provider has the highest security standards and is PCI Level 1 compliant.

- Make one-time donations or schedule recurring transactions.
- 100% confidence that your financial data is secure.
- You can now donate anytime, anywhere.
- Access your e-giving history whenever you choose and print year-end statements.
- Register online for upcoming events through e-giving 24/7.

An easy and secure way to contribute
