Our Invitation to You

At the end of each service a public invitation is given. At this time you are invited to go to the front of the sanctuary where our Pastor or another designated counselor will assist you.

You may become a member of our church family in any one of the following ways:

1. By profession of faith in Jesus Christ as Lord and Savior, to be followed by believer's baptism (immersion).
2. By transferring your membership from another Southern Baptist church where you are now a member. Our church will write for your letter of transfer.
3. By statement of your prior conversion and baptism in another Christian church or as a candidate for baptism.

The basis of authentic church membership comes through trusting Jesus Christ as one's personal Lord and Savior. If you would like to know more about the Christian life or if you have any other questions regarding church membership, please feel free to talk with our pastoral staff or one of our deacons.
