Our Invitation to You

At the end of each service a public invitation is given. At this time you are invited to go to the front of the worship center where our Pastor or another designated counselor will assist you.

You may become a member of our church family in any one of the following ways:

1. By profession of faith in Jesus Christ as Lord and Savior, to be followed by believer's baptism (immersion).
2. By transferring your membership from another Southern Baptist church where you are now a member. Our church will write for your letter of transfer.
3. By statement of your prior conversion and baptism in another Christian church or as a candidate for baptism.

The basis of authentic church membership comes through trusting Jesus Christ as one's personal Lord and Savior. If you would like to know more about the Christian life or if you have any other questions regarding church membership, please feel free to talk with our pastoral staff or one of our deacons.

From Pastor Tim

"Above his head they placed the written charge against him: this is Jesus, the king of the Jews."

Matthew 27:37

Dietrich Bonhoeffer wrote, "A king who would allow himself to be crucified must be the king of a strange kingdom, indeed." We are followers of a strange kind of king, at least from the point of view of the world. We are part of a movement that is seeing the incoming of a strange kingdom indeed.

It is a kingdom where the rich become poor, and the poor become rich. It is a kingdom where the child leads, and the proud stumble. It is a kingdom where the sinner is forgiven, and the self-righteous condemned. It is a kingdom where the dead are made alive, and those who think they live are dying. It is a kingdom where the rejected become beloved. It is a kingdom where those who gain, lose and those who lose, gain. It is a strange kingdom, indeed!

And it's populated by strange people. A.W. Tozer wrote of this in a book titled, *The Root of the Righteous*:

A real Christian is an odd number anyway. He feels supreme love for One whom he has never seen, talks familiarly every day to Someone he cannot see, expects to go to heaven on the virtue of Another, empties himself in order to be full, admits he is wrong so he can be declared right, goes down in order to go up, is strongest when he is weakest, richest when he is poorest, and happiest when he feels worst. He dies so he can live, forsakes in order to have, gives away so he can keep, sees the invisible, hears the inaudible, and knows that which passes knowledge.

So as a citizen of this kingdom, don't be surprised that the world doesn't get you. You're strange. Don't be shocked when they hate the King you love... you're strange. And don't be surprised when Jesus comes again...

...you will have had it right all along.
