Our Invitation to You

At the end of each service a public invitation is given. At this time you are invited to go to the front of the worship center where our Pastor or another designated counselor will assist you.

You may become a member of our church family in any one of the following ways:

1. By profession of faith in Jesus Christ as Lord and Savior, to be followed by believer's baptism (immersion).
2. By transferring your membership from another Southern Baptist church where you are now a member. Our church will write for your letter of transfer.
3. By statement of your prior conversion and baptism in another Christian church or as a candidate for baptism.

The basis of authentic church membership comes through trusting Jesus Christ as one's personal Lord and Savior. If you would like to know more about the Christian life or if you have any other questions regarding church membership, please feel free to talk with our pastoral staff or one of our deacons.

From Pastor Charles

God is Faithful

Sometimes I find myself taking God for granted - His love, His mercy, His watch care, His guidance, His presence, His faithfulness ... and on and on the list can go. So I need - and I am sure you do also - to just "be still and know that I am the Lord," especially His faithfulness.

Jeremiah proclaims in Lamentations 3:22-23 (CSB) "Because of the Lord's faithful love we do not perish. for His mercies never end. They are new every morning; great is your faithfulness."

We are reminded by Jeremiah that even in the mist of disaster after disaster - such as the fall of Jerusalem and the burning of the temple - God had promised to be with them; and He did deliver them.

God is a God of love. Whatever you may be facing in you life today, God is concerned about you. He knows your situation, He will respond to your needs. Maybe not in the way you want Him to, but He will reply with what is best for you. And He will give you strength and understanding to live with and accept what is happening in your life.

Remember, God keeps His promises. There are thousands of promises in the Bible and when you read the promises He made, and the fulfilment of what He promises, you know He is a God you can count on.

Thomas Chisolm lived around the turn of the 20th century. He had various health issues, but was able to make a living selling insurance. He was a writer and submitted articles and poetry to various publications. He had over 800 of his poems published and some of them became hymns.

One of the hymns Thomas Chisolm wrote was "Great is Thy Faithfulness". He gave testimony that even though his health was not good, he still could testify to the love and faithfulness of God.

Perhaps today as you go about your busy schedule the words of the last stanza of this hymn will help you remember that God loves you and He can be counted on to be with you in every experience of life.

"Pardon for sin and a peace that endureth,
Thine own dear presence to cheer and to guide;
Strength for today and bright hope for tomorrow,
Blessings all mine, with ten thousand beside!"

God bless you today as you remember -- whatever your situation-God is faithful.
