

## Rev. Kevin Sherman

### *High School Pastor*

---

The High School Pastor seeks to lead the church to develop and implement a strategy to make disciples of high school students (grades 9-12) in the church and community by building a student ministry community of leaders and parents working together to disciple students and the adults who serve them in collaboration with the Family Ministry Team.

---

Kevin Sherman currently serves as the Associate Pastor to Students at Bethel Baptist Church in Yorktown, VA, where he currently leads the ministry for middle and high school students. Before accepting the call into full-time ministry, Pastor Kevin served as a Deacon and a lay leader in the local church while pursuing his goal to become a Pharmacist at the USF College of Pharmacy and teaching high school chemistry in the public school system.

Sensing the call into vocational ministry, Pastor Kevin and his wife, Alex, moved their family to North Carolina where he could pursue ministry training at Southeastern Baptist Theological Seminary. While in N.C., Pastor Kevin served with the Summit Church as the Men's Discipleship Coordinator.

Pastor Kevin and Alex have four children. He says they are an incredible joy, and loves being involved in all aspects of church life. They view parenting as their first calling and seek to lead their family in healthy, Christ-centered rhythms, and find it a joy to encourage and support other families to do the same!

---

*"High school ministry should be a unified and redemptive force for the glory of God."*

*- Pastor Kevin*

---
