

## Hope In Action: Fostering Hope Quarterly Newsletter

### A Message from Fostering Hope

Every act of kindness—big or small—makes a lasting impact on the lives of children and families navigating foster care and adoption. Whether you're serving, donating, or simply praying, you are part of this story of hope. In this newsletter, we're excited to share highlights from recent events, opportunities to get involved, and the incredible ways our community is coming together to support vulnerable children.

### Ministry Highlights

### No More Orphans Experience

On March 1, we hosted the No More Orphans Experience, a powerful event reminding us that everyone can play a role in caring for vulnerable children and families. We were grateful to welcome several partner agencies and organizations who shared ways our community can support foster care, adoption, family preservation, and vulnerable families. Together, we were encouraged that the Church has a meaningful role in ensuring every child experiences the love of family and the hope of the Gospel.

## Parents Night Out

On March 6, we hosted 72 children for Parents' Night Out! The evening theme was "Love Like Jesus" and focused on showing kindness and compassion to others. It was a fun-filled night that also provided valuable respite and encouragement for caregivers.

## Replanted Conference

From April 30–May 2, Fruit Cove hosted the Replanted Conference Jacksonville. We are still processing all the incredible moments from the weekend—times of worship, encouragement, connection, and hope shared among foster and adoptive families from across our region. Thank you to everyone who volunteered, served, donated, and prayed to make this weekend possible.

We are excited to officially share that Replanted Jacksonville 2027 will be held April 29–May 1. Early bird registration is open! To learn more and register, go to <https://replantedconference.org/jacksonville/>

## Grace Fosters Grace

Our April Grace Fosters Grace workshop provided foster and adoptive caregivers with a meaningful opportunity for connection, encouragement, and equine-assisted learning. We are grateful for this partnership and the support it provides to families caring for vulnerable children.

The next workshop is scheduled for June 13.

For more information, visit [Grace Under the Oaks Workshops](#)

## Save the Dates

 **Jumbo Shrimp Game: June 23 at 7:05 pm Fostering Hope is the Charity Begins at Home partner for the game!**

 **Parents' Night Out: July 24 | 5:00–9:00 pm**
